Crushing Silences, Constructing Histories

A symposium on the silencing of colonialism, anti-Semitism, and contemporary turbo-fascist nationalism in Belgium, Austria, and the former Yugoslavia. Re-examining counter-memory and counter-history projects, interventions, and processes of resistance in order to open up spaces for new directions in politics, futurity, and collective struggles. Organized by the FWF-project "Genealogy of Amnesia," developed at the Studio of Conceptual Art (PCAP), Institute of Fine Arts, Academy of Fine Arts Vienna.
